

CALL FOR PAPERS:

The RuSSIR Young Scientist Conference was created to provide an academic forum that fosters young researchers working on modern problems and methods in information retrieval and related disciplines to share their ideas and results with participants and lecturers of Russian Summer School in Informational Retrieval (RuSSIR). This year, the 9th edition of the conference will be held within main RuSSIR program in St. Petersburg, Russia. (<http://romip.ru/russir2015/>)

We invite submission of papers describing innovative research on a wide range of IR-related topics and especially encourage works about social network analysis and graph mining. Topics of interest include but not restricted to the following:

- IR and theory and models
- Social networks and graph analysis
- Crowdsourcing Systems and Social Media
- Data structures, algorithms, and indexing
- Web search systems and Web mining
- Semantic Web and knowledge databases
- Natural language processing

IMPORTANT DATES:

Application deadline: ~~March 30, 2015~~ **April 20, 2015.**

Notification: May, 10, 2015.

School: August 24-28, 2015

We invite only original submissions: we will not accept any paper that is under review or has already been accepted for publication in a journal or another conference.

Papers must be in English, up to 12 pages and be formatted according to Springer template:

<http://www.springer.com/computer/lncs?SGWID=0-164-6-793341-0>.

IMPORTANT: Submissions should be only made electronically in PDF through EasyChair website: <https://easychair.org/conferences/?conf=russiry2015>

Accepted papers will be invited for publication in Springer CCIS RuSSIR 2015 proceedings (Springer Communications in Computer and Information Science series: <http://link.springer.com/bookseries/7899>).

Papers would be presented by means of interactive posters during the conference. At least one of the authors should be less than 30 year old and be able to attend the conference.
