**Russian Summer School in Information
Retrieval (RuSSIR)
August 6...10, 2012, Yaroslavl**

RuSSIR 2012 will feature lectures on a wide range of IR-related topics from leading researchers in the field; a special track on cross-language information retrieval and machine translation; a student session, and rich social program.

Advanced graduate and PhD students, post-docs, academic and industrial researchers, and developers are welcome to apply. Participation is free of charge, a limited number of accommodation grants will be available.
